

Table 1. What data we collect, why, and on what basis

Data Type	Purpose of Processing	Legal Basis for Processing	Retention Period	Method of Processing	Whose Data
email	<ul style="list-style-type: none"> • account creation • user identification • communication • payment verification and confirmation 	performance of the contract	Until the purpose of the processing is achieved or for 3 years	collection, storage, systematization, modification, use, blocking, deletion	Parent
name	<ul style="list-style-type: none"> • Intuitive and user-friendly application interface • High-quality service delivery 			collection, storage, systematization, modification, use, blocking, deletion	Child
ip-address				collection, storage, systematization, modification, use, blocking, deletion	All users
the language set on the device				collection, storage, systematization, modification, use, blocking, deletion	
Cookies for website personalization				collection, storage, systematization, modification, use, blocking, deletion	
Information about purchased subscriptions	<ul style="list-style-type: none"> • Payment verification • Fraud prevention <ul style="list-style-type: none"> • Analytics • Accounting and reporting 	Legitimate interest	Until the purpose of the processing is achieved or for 3 years	collection, storage, systematization, modification, use, blocking, deletion	Parent
the number and total amount of payments made	<ul style="list-style-type: none"> • Payment verification • Fraud prevention <ul style="list-style-type: none"> • Analytics • Accounting and reporting 	Legitimate interest		collection, storage, systematization, modification, use, blocking, deletion	

Data Type	Purpose of Processing	Legal Basis for Processing	Retention Period	Method of Processing	Whose Data
location data	<ul style="list-style-type: none"> provision of service features 	performance of the contract	Until the purpose of the processing is achieved or for 3 years	collection, storage, systematization, modification, use, blocking, deletion, anonymization	All users
WiFi network information				collection, storage, systematization, modification, use, blocking, deletion	
the child's age				collection, storage, systematization, modification, use, blocking, deletion	Ребенок
tasks that a child performs at a parent's request				collection, storage, systematization, modification, use, blocking, deletion	All users
the names of the installed apps				collection, storage, systematization, modification, use, blocking, deletion	Child
time spent using mobile apps installed on the device				collection, storage, systematization, modification, use, blocking, deletion	
Information about the locations users visit				collection, storage, systematization, modification, use, blocking, deletion	All users
Places on the map selected by users				collection, storage, systematization, modification, use, blocking, deletion	
Battery charge				collection, storage, systematization, modification, use, blocking, deletion	

Data Type	Purpose of Processing	Legal Basis for Processing	Retention Period	Method of Processing	Whose Data
Device travel speed	<ul style="list-style-type: none"> provision of service features 	performance of the contract	Until the purpose of the processing is achieved or for 3 years	collection, storage, systematization, modification, use, blocking, deletion	All users
Device geolocation settings on/off status				collection, storage, systematization, modification, use, blocking, deletion	
Type of movement (aka "physical activity data")				collection, storage, systematization, modification, use, blocking, deletion	
time of movement start				collection, storage, systematization, modification, use, blocking, deletion	
end of movement time				collection, storage, systematization, modification, use, blocking, deletion	
family members				collection, storage, systematization, modification, use, blocking, deletion	
Currently active app				collection, systematization, storage, modification, use, disclosure, cross-border transfer, deletion	
A set of dots from a video image on the child's device				collection, systematization, use, anonymization	
The history of the browser and its services	collection, systematization, storage, modification, use				
Network Activity (NetworkExtension (DNS/HTTPS))	collection, systematization, use				

Data Type	Purpose of Processing	Legal Basis for Processing	Retention Period	Method of Processing	Whose Data
device information	<ul style="list-style-type: none"> analytics 	consent	Until the purpose of the processing is achieved or for 3 years	collection, systematization, storage, use, anonymization	All users
information about how users interact with links, buttons, and screens within the Service				collection, systematization, storage, use, anonymization	
information about the user's mobile network	<ul style="list-style-type: none"> provision of service features 	performance of the contract		collection, systematization, storage, use, anonymization	
Technical logs				collection, systematization, storage, use, anonymization	
Device IDs / Unique IDs for Advertisers	<ul style="list-style-type: none"> marketing 	consent		collection, systematization, storage, use, anonymization
